

Player Grading

The player grading (putting players into teams) process is the same for Associations and Clubs

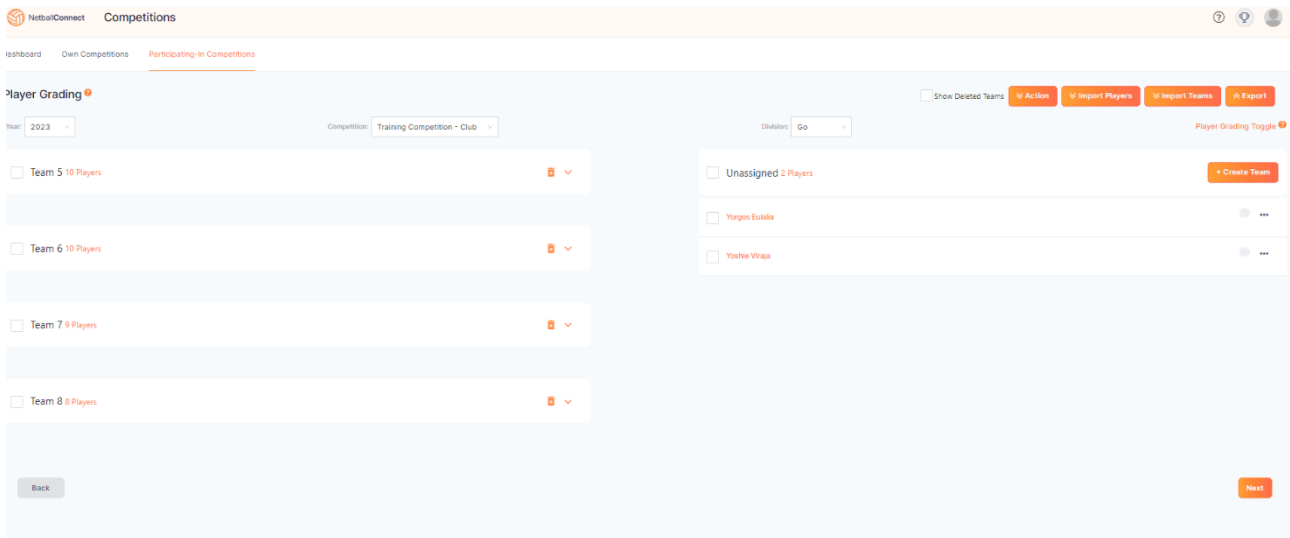

As players register to a competition, they appear on the Player Grading page. Go to Participating-In Competitions, then select Player Grading from the drop down menu. If divisions were created in the registration process, players would select the relevant divisions and will automatically appear in those divisions. You can see this by filtering divisions. club

Club Administrators create teams by clicking on the **+ Create Team** and then drag and drop players into the relevant teams. Players disappear from the Unassigned list once they have been allocated to a team. When all players have been assigned to a team click **Next**.

Player Grading

Team Grading

Note: It is important to ensure you are working in the correct competition and have selected the relevant year, competition and division prior to creating teams and allocating players. If teams have been allocated to the incorrect division click on the team and select 'Action' to change divisions. If a player has registered into the incorrect division click the player checkbox and then select 'Action' to change divisions.

Click the down arrow  to view players in the team. Remove a player by dragging to the Unassigned area and drop

Click the  bin icon to delete a team

There is the option to add a comment about a player that the Competition Administrators would receive.

Select the  to leave a comment.

Other functions available in Player Grading.

Action Action allows teams and players to be moved to another division

Import Players Allows you to download a template, complete player details and upload

Import Teams Allows you to download a template, complete team details and upload

Export Will export all data in Player grading into an excel spreadsheet

When all players have been assigned to a team click **Next** and you will automatically process to Team Grading. This is where you submit teams to the competition.

Team Grading

Team grading allows you to submit club teams into grades (divisions) to the competition. In the proposed grade dropdown menu select a grade for each team. As with Player comments you can also enter a Team comment for the Competition Administrators, enter comments that may assist organisers with Final Grade allocations.

Participating-In Competitions

Complete Team grading for all divisions and teams. Once the Competition Organisers have finalised grading you will see those grades sections listed under the Final Grade column. These will be renamed by the Competition Organiser.

The screenshot shows the NetballConnect interface for 'Participating-In Competitions'. The main table is titled 'Proposed Team Grading' and has columns for Team, Team Name, History, Proposed Grade, Final Grade, Comments, and Action. There are 6 rows of teams. A modal window 'Add/Edit Comment' is open, showing a text area for comments and 'Cancel' and 'OK' buttons. Another modal window 'Change Division' is open, showing a dropdown menu for 'Division' and 'Cancel' and 'OK' buttons. Arrows point from the 'Comments' and 'Action' columns of the table to the respective modal windows.

Once all teams in all divisions have been allocated a proposed grade click **Submit**
